We appreciate the opportunity to invite your pet or pets into our play center. It's important to understand that the personalities of dogs are unpredictable at times and that dogs in groups are a risk. Our effort is to keep all dogs safe and having fun with us while they play. The Classic Grooming Doggie Fun Center personnel will do the best to their ability to prevent accidents and manage the different personalities of the dogs in our care. By signing below, you also understand that there may be behaviors that cause a reaction in other dogs, which can cause problems. If we determine that your dog has characteristics that lead us to believe that they are not suitable for the play center, then we reserve the right to let you know these behaviors are causing problems and we may not be able to allow your dog to return. It is for the safety of all dogs that we will take this into consideration.

We appreciate your valuable time in giving us the information on the following forms, so that we can make better decisions about the different personalities of all the pets in our Fun Center.
